EQUINE SAFETY INITIATIVES

There have been several equine safety initiatives that have been implemented at Churchill Downs. Below are the changes and how they affect you.

- 1. HORSEMEN-VETERINARIAN AGREEMENT:** This must be signed and submitted to the Stable Office upon arrival. This agreement will cover all CDI properties and will be in effect until the end of the Turfway Park 2022 Meet. Please make sure you and your veterinarian sign prior to turning it in.
- 2. MEDICATION-RESTRICTED RACES:** Pursuant to KHRC regulation 810 KAR 8:050 all two (2) year-old races and stakes races will be conducted Lasix-free. Please consult with your veterinarian, Churchill Downs Equine Medical Director (Dr. Farmer), or the KHRC if you have any questions regarding this regulation.
810 KAR 8:050 SECTION 6(A): A two(2) year old or stakes horse shall not be administered any drug, medication or other substance, including furosemide, within twenty-four (24) hours of the post time of the race in which the horse is entered. Participation by the horse shall not affect the status of the participating horse on the official authorized bleeder medication list. **(B)** The implementation and enforcement of the prohibition in paragraph (a) of this subsection shall begin on: 1. January 1, 2020 for all two (2) year olds; and 2. January 1, 2021 for all horses entered to run in a stakes race; including the races comprising the Breeders' Cup World Championships and the races designated as graded stakes by the American Graded Stakes Committee of the Thoroughbred Owners and Breeders Association.
- 3. SHOCKWAVE THERAPY TREATMENTS:** Effective with the opening of the Churchill Downs Racetrack backside for the 2021 year, all prescribed shockwave treatments for horses stabled at Churchill Downs Racetrack MUST be administered at the Equine Medical Center. Practicing veterinarians will have access to the Equine Medical Center daily from 7 a.m. until 4 p.m. All treatments must be recorded on the Shockwave Treatment Log located at the Equine Medical Center along with a veterinarian's report submitted to the KHRC. Trainers violating this rule are subject to revocation of their stall privileges.
- 4. PRE-ENTRY EXAM:** Pursuant to KHRC regulation, all horses must have an exam performed by your veterinarian within the three (3) days preceding a race entry. This exam is to be documented by your veterinarian and he/she will include their findings on their daily treatment records submitted to the KHRC.
- 5. PRE-WORK EXAM:** All horses stabled at Churchill Downs or Trackside must have an exam performed by your veterinarian within the five (5) days preceding a timed workout, per Horsemen-Veterinarian Agreement. This exam is to be documented by your veterinarian and turned in to both KHRC and CD Equine Medical Director, Dr. Farmer.
- 6. IN-TODAY SIGNAGE:** All horses entered to race must be clearly identified starting at 7:30am on race day with an "In-Today" sign. Trainers should hang these signs on the stall door or adjacent to the stall. This is separate from the KHRC Lasix tag hung following lasix administration. Extra signs are available in the Stable Office.
- 7. ENTRY RESTRICTIONS:** All first time starters 4yrs old and older or 3 years old and older with no race within 365 days are required to have an exam and published 5 furlong work in 103 or faster approved by the CD Equine Medical Director PRIOR to entry. In addition, horses

that have not raced within 120 days but less than 365 days must notify the CD Equine Medical Director PRIOR to entry to schedule an exam.

- 8. WAIVER CLAIMING RULE:** Allows a trainer to enter a claiming race, but be ineligible to be claimed providing the horse has been laid off and has not started for a minimum of 180 days since its last race, and the horse is entered for a claiming price equal to or greater than the price at which it last started. Please see condition book for more details.

PLEASE DIRECT ALL QUESTIONS TO:

CDI Equine Medical Director, Dr. Will Farmer | 502-638-3995

CD Racing Secretary, Ben Huffman | 502-638-3820

IMPORTANT INFORMATION

KTDF

BEFORE ENTERING a horse into any race with KTDF fund money, call Jenny McGaughey at 859-361-6002 to check KTDF registration status.

ALL KTDF PURSE ALLOTMENTS ARE SUBJECT TO KHRC APPROVAL.

New Waiver Claiming: At the time of entry into a claiming race, the owner may opt to declare a horse ineligible to be claimed provided: (1) The horse has been laid off and has not started for a minimum of 180 days since its last race, and (2) The horse is entered for a claiming price equal to or greater than the price at which it last started. (b) Failure to declare the horse ineligible at the time of entry may not be remedied. (c) Ineligibility shall apply only to the first start following each such layoff.

DIGITAL TATTOO

On January 1, 2020, Race Horse Identification transitioned from lip tattooing to utilizing the Digital Tattoo (Picture Horse ID), which is accessible through scanning of the Jockey Club-issued microchip that has been implanted in the horse's neck by the breeder.

The process will be as follows:

- All foals of 2017 and forward must be microchipped before the Jockey Club will register the horse.
- Foals of 2016 and older who are not tattooed and who currently do not have a microchip (by January 1, 2020) will need to contact the Jockey Club (800-444-8521) to obtain a microchip. The Jockey Club issued microchip must be inserted into the horse and listed on the foal papers before the horse is digitally tattooed prior to its first race.
- Like the current tattoo system, TRPB Identifiers will come to your barn, scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to you being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of your horse.
- The TRPB identification fee will remain the same: \$80

CHURCHILL DOWNS RACETRACK, TURFWAY PARK
AND CHURCHILL DOWNS TRAINING CENTER

Rules and Conditions for Racing and Training (“Conditions”)

As a condition to, and in consideration for the undersigned trainer (“Trainer”) being permitted to race, work, or train any horse at Churchill Downs Racetrack (“CDRT”), Churchill Downs Training Center (“Trackside”), or Turfway Park (“TWP”), the Trainer and the undersigned Trainer’s attending veterinarian (“Attending Veterinarian”) hereby agree to be bound by the following Conditions:

1. At all times, a horse must be in serviceable, sound racing condition in order to race, work or train at CDRT, Trackside, or TWP. The Trainer acknowledges that it is his/her obligation to confirm the horse is in serviceable, sound racing condition in order to race, work or train on CDRT, Trackside, or TWP Grounds.
2. Trainer will not enter a horse in any race UNLESS the horse has: (a) been examined by Trainer’s Attending Veterinarian during the three (3) days immediately preceding the entry to race for the express purpose of evaluating the horse’s fitness to race; and (b) been found fit to race by the Attending Veterinarian. This evaluation shall include, at a minimum, watching the horse jog. The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director and the Kentucky Horse Racing Commission (“KHRC”) official veterinarian (or his or her designee) of any changes in the horse’s fitness after entry through race day. Extenuating Circumstances to the examination requirement of this rule will be handled by the Racing Office in conjunction with the CDI Equine Medical Director on a case-by-case basis.
3. Trainer will not permit a horse stabled at Churchill Downs, Trackside, or TWP to work UNLESS the horse has: (a) been examined by the Trainer’s Attending Veterinarian during the five (5) days immediately preceding the work for the express purpose of evaluating the horse’s fitness to work; and (b) been found fit to work by the Attending Veterinarian (this evaluation shall include, at a minimum, watching the horse jog). The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director (or his or her designee) of any changes in the horse’s fitness after the examination set forth above and before the horse works.
4. Trainer will not enter in any race a horse that is an unstarted four year-old or older or any horse that has not raced within 365 days of its previous race UNLESS, in addition to the criteria set forth in Section 2, above, the horse has worked 5 furlongs in 1:03 or better for the CDI Equine Medical Director (or his or her designee) in the previous thirty (30) days. Horses that have not raced within 120 days but have raced within 365 days must have an examination performed by the CDI Equine Medical Director (or his or her designee) prior to entry. Based upon that examination, the CDI Equine Medical Director may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the KHRC’s Official Veterinarian’s list.
5. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer’s Attending Veterinarian in compliance with these Conditions constitute a valid examination for purposes of determining a horse’s fitness to race, work or train.
6. CDRT, Trackside, TWP, and the CDI Equine Medical Director are entitled (but not obligated) to contact, without prior notice, Trainer’s Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets CDRT, Trackside, and TWP’s requirements. CDRT, Trackside, TWP, and the CDI Equine Medical Director shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions.
7. All horses entered to race at CDRT or TWP, or are on CDRT, Trackside, or TWP Grounds are subject to: (a) veterinary inspections by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer and Trainer’s staff will cooperate fully with all requests made by CDI veterinarians and outriders.
8. All horses at any Kentucky Training Facility are subject to (a) veterinary inspections by the staff or contractor of the Kentucky Training Facility and (b) veterinary monitoring. Trainer and Trainer’s staff will fully cooperate with all requests made by the Kentucky Training Facility, veterinarians and outriders. Both Trainer and Attending Veterinarian consent to sharing all information as a result of such inspections and monitoring with the CDI Equine Medical Director.

9. As used herein, the term "Attending Veterinarian" shall include the undersigned veterinarian and any veterinarian who is a member of his/her veterinary practice.

10. As used herein, the term "Kentucky Training Facility" shall mean a horse training center or facility in the Commonwealth of Kentucky that records official timed workouts for publication and that is affiliated with a racing association. Kentucky Training Facility shall include CDRT, Trackside, and TWP.

11. If stabled on CDRT, Trackside, or TWP Grounds, both Trainer and the Attending Veterinarian will abide by all rules and regulations of CDRT and TWP, including, without limitation, House Rules (including those relating to TCO2 or "Milkshake" testing, and all medication and integrity rules), or other rules (including, without limitation, all rules set forth in CDRT or TWP's Condition Book, CDRT or TWP's Stall Application, the Rules of the Barn Area, and the Rules of the Track), all of which are hereby expressly incorporated by reference herein. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

12. Both Trainer and Attending Veterinarian will abide by all rules and regulations of the KHRC, at any time expressly incorporated by reference herein, and the rules and regulations of the KHRC, at any time adopted or as they may be amended (collectively, "KHRC Regulations"). Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

13. Any failure by CDRT, Trackside, or TWP to enforce any terms or conditions of this Agreement shall not constitute a waiver by CDRT, Trackside, or TWP, and shall not affect or impair this Agreement in any way, or the right of CDRT at any time to enforce this Agreement. CDRT, Trackside, and TWP's approval or consent to any action proposed by Trainer or Attending Veterinarian shall not affect Trainer or Attending Veterinarian's obligation to strictly comply with this Agreement.

14. Both Trainer and the Attending Veterinarian understand and acknowledge that these Conditions shall be in effect annually commencing on the date of the opening of the CDRT and Trackside stable area prior to the CDRT Spring Meet (or any successor meet therefor) each year and continuing through the last date that horses are on the TWP Grounds after the conclusion of the TWP Winter/Spring Meet (or any successor meet therefor) the following year, and for Trainers that have horse(s) on CDRT, Trackside, and/or TWP Grounds, these Conditions shall be in effect from earliest date noted below and for so long as Trainer has horse(s) on CDRT, Trackside, or TWP Grounds.

By signing below, Trainer acknowledges and agrees that Trainer (a) has read and fully understands the Conditions and agrees to be bound by them, (b) will consult with Trainer's Attending Veterinarian and the CDI Equine Medical Director if Trainer has any questions regarding such Conditions, and (c) will fully comply with the Conditions.

By signing below, the Attending Veterinarian acknowledges and agrees that he/she (a) is the Attending Veterinarian for the undersigned Trainer, (b) has read and fully understands the above Conditions and agrees to be bound by them, (c) will consult with the CDI Equine Medical Director if he/she has any questions regarding such Conditions, and (d) will comply fully with the Conditions.

Any change in the party that will be acting as the Trainer's Attending Veterinarian requires Trainer and the new Attending Veterinarian to submit a fully executed copy of these Conditions to CDI Equine Medical Director.

**PLEASE FILL OUT, SIGN AND EMAIL A COPY TO DR. FARMER
AT WILL.FARMER@KYDERBY.COM.**

I have read and agree to the foregoing Conditions as of the date set forth below.

DATE PREFERENCE SYSTEM

The Date System of preference will be used at Churchill Downs as described below:

Foal Certificates and digital foal certificates no longer are required to be on file in the racing office to enter or start at Churchill Downs; however, foal certificates and digital foal certificates must be on file to obtain a preference date and to get a horse tattooed.

Each day's overnight will list the dates of horses in and on the also-eligible list to enable trainers to see what dates are getting horses in over-filled races.

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Churchill Downs will be assigned a preference date. Dates assigned will be of two types:
3. **FOR A ZERO DATE** foal papers and digital foal papers must be turned in to the identifier by Monday, September 13, 2021.

E-Date

This date will correspond to:

- a) The day on which a horse's foal papers or digital foal papers are submitted to the identifier (the earliest date being the day when entries are first taken for the meeting). An unnamed horse will not receive an E-date.
- b) The day on which a horse is first entered if his papers or digital foal papers are not on file with the identifier.

To qualify for the latter E-date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a condition book race which failed to fill through insufficient entries.

R-Date

This date will correspond to the day of a horse's most recent race at Churchill Downs. An R-Date will also be assigned to a horse which scratches.

4. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers or digital papers are removed from

the identifier's office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another race track will forfeit any date they may have at Churchill Downs.

5. Preference dates will consist of two categories: Dirt (D) and Turf (T). Preference dates are good for any type of race or distance.
6. A horse that runs in a race, which has been taken off the turf will retain its turf date. A scratched horse will receive an R-date from the date scratched.
7. When a race is taken off the turf, main track only (MTO) horses will receive an R-Date if they run or scratch. If the race remains on the turf, main track only (MTO) horses will retain their previous date and will not be permitted to start.
8. No E-Date will be assigned to the second choice of an unsplit same-owner entry.
9. A horse which has been placed on a list (veterinarian, steward, starter or paddock judge) will lose their date and be assigned an R-Date corresponding to the day removed from list.
10. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain its previous date.
11. The draw of stakes and handicap race is not subject to date preference.
12. Preference dates are transferred through change of ownership and changes in trainer after the proper transfer procedure have been completed through the Steward's office and delivered to the Racing Secretary's office.
13. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.
14. Winners will be preferred in all non maiden races.

CONDITION PREFERENCE

Horses are preferred by their available conditions in all allowance races beginning with Graded Stakes winners (Grade I-II-III), providing the horse has finished 1st, 2nd, 3rd or 4th for \$40,000 or more since starting for less than \$40,000. In allowance/optional claiming races a horse's preference cannot exceed the condition of the race. Starter races for less than \$25,000 will not be preferred.

WINNERS ARE PREFERRED IN ALL NON-MAIDEN RACES.

Also-eligibles: If there are any scratches in a race with also-eligibles, the also-eligible horses will be permitted to move into the race in the order listed on the overnight.

810 KAR 4:010. HORSES

The stewards may at any time require presentation of a horse's registration certificate, virtual certificate, or racing permit or other proof of ownership.

Upon claim, sale or any other transfer of ownership, the horse's registration certificate or racing permit shall be given to the new owner, and any virtual certificate shall be transferred to the new owner electronically. The new owner shall report the change in ownership to the stewards.

SHIP-INS

There will be no ship-in training at Churchill Downs or Trackside. Entrant agrees that any horse running at Churchill Downs will be on the grounds a minimum of 5 1/2 hours prior to race time. OUT OF COMPETITION TESTING

Pursuant to 810 KAR 8:040, the Kentucky Horse Racing Commission (the "KHRC") is authorized to conduct "out of competition" testing on any horse that is eligible, or that may become eligible, to race in Kentucky. A horse is eligible to race in Kentucky if it is under the care, custody or control of a trainer licensed by the KHRC; or is owned by an owner licensed by the KHRC; or is nominated to a race at an association licensed by the KHRC; or has raced at an association licensed by the KHRC within the previous twelve calendar months; or is stabled on the grounds of an association or training center subject to the jurisdiction of the KHRC; or is nominated to participate in the Kentucky Thoroughbred Development Fund. The KHRC is authorized to test for blood doping agents, venoms and their derivatives, and growth hormones. The regulation also prohibits possession of the foregoing substances, as well as whole blood or packed red blood cells, on the grounds of an association or training facility subject to jurisdiction of the KHRC. A horse designated for testing must be made available for sampling at a mutually agreed-upon location within six hours of notification that it has been designated for testing. If a horse is not made available for testing, or if there is any other failure to cooperate with the KHRC, the individual(s) responsible will be penalized to the full extent allowed by the regulation. If a horse tests positive for a prohibited substance, the owner and trainer are notified of the test results, and the horse is placed on the Veterinarian's List pending a steward's hearing. The owner and/or trainer have the right to split sample analysis, as set forth in 810 KAR 1:018/811 KAR 1:090. If the positive finding is confirmed, serious penalties shall be imposed, including but not limited to, the revocation of the violator's license for a period of five to ten years. The regulation can be found in its entirety at khrc.ky.gov.

THE KENTUCKY THOROUGHBRED DEVELOPMENT FUND (KTDF)

Given the robust business during calendar year 2021, the state-of-the-art historical racing machines at nearby Derby City Gaming has generated \$8.1 million in KTDF for horsemen with Kentucky-sired Kentucky-breds to run for in designated stakes, handicap, allowance, non-claiming maiden races, and allowance optional claiming races with a claiming price of not less than twenty-five thousand dollars (\$25,000) contested at Churchill Downs Racetrack.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5) (d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

Mrs. Jenny McGaughey, Registrar

Kentucky Thoroughbred Owners and Breeders

4079 Iron Works Parkway

Lexington, Kentucky 40511

Phone: 859-259-1643

Mobile: 859-361-6002

Registration may be completed online at www.kta-ktob.com. The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows:

60% to the winner

20% to second

10%..... to third

5%..... to fourth

3%..... to fifth

Remaining 2% is to be divided among starters based on the schedule listed above.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund.

Any goading device, chain, spurs, electrical or mechanical device, or appliance, except for a riding crop, that may be used to alter the speed of a horse shall not be used on a horse in a race or workout.

Any riding crop may be subject to inspection and approval by the stewards or the clerk of the scales to ensure conformity with the specifications of paragraphs (c) through (e) of this subsection. Only riding crops meeting the specifications of this subsection, including the mandatory shock absorbing characteristics, may be used in thoroughbred racing and training.

(c) A riding crop shall have a:

1. Maximum weight of eight (8) ounces;
2. Maximum length, including flap, of thirty (30) inches; and
3. Minimum diameter of the shaft of three-eighths (3/8) inch.

(d) 1. The only additional feature that may be attached to the riding crop is a flap that shall have a:

- a. Maximum length from the end of the shaft of one-half (1/2) inch; and
- b. Maximum width of one and six-tenths (1.6) inches, with a minimum width of eight-tenths (0.8) inch;
2. The flap from the end of the shaft shall not contain any reinforcements or additions;
3. There shall not be binding within seven (7) inches of the end of the flap;
4. The contact area of the shaft shall be smooth, with no protrusion or raised surface, and covered by shock absorbing material throughout its circumference; and
5. The flap shall have similar shock absorbing characteristics to that of the contact area.

(e) A riding crop shall not have:

1. Stingers or projections extending through the hole of a popper; and
2. Any metal parts.

Rules regarding whip usage are as follows:

- An electrical or mechanical device or other expedient designed to increase or retard the speed of a horse, other than a riding crop approved by the stewards, shall not be possessed by anyone, or applied by anyone to a horse at any time, on the grounds of the association during a race meeting.
- A riding crop shall only be used for safety, correction and encouragement.

- A rider who uses a riding crop shall:
 - Show the horse the riding crop; give the horse a chance to respond before striking the horse;
 - Having used the riding crop, give the horse a chance to respond before using it again;
 - Use the riding crop in rhythm with the horse's stride
- Prohibited use of the riding crop includes striking a horse:
 - On the head, flanks or any other part of its body other than the shoulders or hind quarters except when necessary to control a horse;
 - During the post parade or after the finish of a race except when necessary to control a horse;
 - Excessively or brutally;
 - In a manner which causes welts or breaks in the skin;
 - When the horse is clearly out of the race or has obtained its maximum placing;
 - Persistently even though the horse is showing no response under the riding crop
- In no event shall a riding crop be used to strike another person.
- After the race, a horse shall be subject to inspection by a racing or official veterinarian looking for cuts, welts or bruises in the skin. Any adverse findings shall be reported to the stewards.
- The giving of instructions by any licensee that if obeyed would lead to a violation of this rule may result in disciplinary action also being taken against the licensee who gave such instructions.

GELDING & GENDER

810 KAR 4:010, SECTION 12

Trainers must promptly report all horses gelded to the horse identifier or the racing office. Trainers will be held responsible for not reporting the correct gender of their horse at the time of entry. Failure to comply shall result in disciplinary action by the stewards.

TURF RACE ENTRIES

In an effort to ensure that racing fans will have an opportunity to wager on a reasonable number of horses, the following policies are in place concerning turf entries. Entries will be accepted in turf races (excluding stakes) for Main Track Only (MTO) horses. Trainers must declare the horse as MTO at time of entry. A horse entered as MTO shall be listed as an Also-Eligible. In an over-filled turf race, Also-Eligibles (including MTO) shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race. If the race remains on the turf, a horse listed as MTO shall not be permitted to draw into the race. When a race is removed from the turf, MTO horses will receive an R-Date if they run or scratch. If the race remains on the turf, MTO horses will retain their previous date. Churchill Downs reserves the right to add up to 8 AE's and MTO's to all overnight races.

The maintenance by Churchill of insurance shall not affect the terms or interpretation of this Agreement. For purposes of this Agreement, Churchill shall mean and include Churchill and its officers, directors, agents, employees, contractors, servants and licensees. In the event of any inconsistency between these provisions and KHRC's regulations, the KHRC's regulations shall control. Further, these provisions shall be deemed to be amended

to the extent of, and to be in compliance with, any amendment to the KHRC's regulations. Trainer shall, prior to its admission to Churchill's facilities, deliver to the Kentucky Horse Racing Commission certificates evidencing the maintenance of Worker's Compensation Insurance for all employed personnel in accordance with the statutory requirements of the Commonwealth of Kentucky.

Responsibility for the maintenance of general liability and horse mortality insurance to cover the risks outlined above vests with the Applicant. Consultation with a competent insurance advisor is strongly recommended. Failure to maintain adequate insurance may subject the Applicant to the risks outlined above.

RESERVATION OF RIGHTS

As the organizer, host and sponsor of thoroughbred horse races, Churchill hereby reserves unto itself, its agents, assigns and licensees and Applicant hereby assigns to Churchill all interest it may have in the Host Rights, as herein defined. The Host Rights shall mean the sole and exclusive right to: (a) produce, exhibit, sell, license, transfer or transmit in any manner still or motion pictures, radio and television broadcasts, or any other media transmission, now known or hereafter developed, of all events which occur on Churchill's property, including without limitation, all activities occurring before, during and after thoroughbred horse races; (b) utilize the race and the results thereof, all for any purpose or use as Churchill shall determine; (c) limit, prohibit or regulate the display of any commercial advertising symbols, or other identification, other than Applicant's registered silks, in connection with any race or related activities; and (d) develop, produce and sell, by or through any licensee, goods using the Applicant's name or likeness, the name or likeness of any horse owned by the Applicant brought onto Churchill's grounds, or any other identifying feature, silks, trademark or copyrighted material which is used in connection with the race. The submission of a nomination or making of any entry in any race shall mean that the Applicant consents to the above reservation of the Host Rights and consents to be photographed or to otherwise by a subject of still or moving pictures, radio or television programs, without remuneration except for contributions to horsemen's purses from wagering on the races as established by contract or legislation. The Applicant agrees that he has not and will not execute any documents or take any other action which purports to assign or otherwise transfer any interest in the Host Rights or assert any claim, demand or cause of action against Churchill which is inconsistent with the full and exclusive exercise by Churchill of its Host Rights.

DEFINITION OF APPLICANT

As used herein, "Applicant" shall mean and include the owners, trainers, jockeys of the horse being entered (and if Applicant is an agent/assistant to any Applicant, the principal for whom he is agent), and their heirs, representatives, successors, next of kin and assigns; provided, however, that the rights and benefits of the Applicant under this Agreement are personal and no such right or benefits shall be subject to voluntary or involuntary alienation, assignment or transfer. Applicant covenants that all of the above parties have agreed to the foregoing conditions and further agrees that it will deliver their written consent and agreement to such conditions upon request of Churchill. Applicant shall indemnify and hold Churchill harmless from and against any claim or cause of action (including any expense incurred in connection therewith, including reasonable attorney's fees and other fees) that may be asserted by or on behalf of any person which is inconsistent with the release and indemnification provisions set forth in the foregoing paragraphs.

EQUINE INJURY DATABASE

Churchill Downs Incorporated ("CDI") and each of its racetracks has entered into an Equine Injury Database Agreement with The Jockey Club ("TJC") to implement one of TJC's Thoroughbred Safety Committee recommendations regarding tracking of equine injuries occurring at any of its racetrack facilities. Trainer, on behalf of himself and as agent for each Owner listed in the Stall Application submitted by Trainer, agrees that accurate tracking of equine injuries is an important step toward improving the safety of horse racing and by accepting the use of certain stalls at Churchill Downs, gives its consent to the collection of information related to any injury occurring at Churchill Downs to a horse owned or trained by Trainer and entry of said information into a database maintained by TJC and its affiliated businesses (including InCompass Solutions, Inc. [the "Equine Injury Database"]) by Churchill Downs and/or the Kentucky Horse Racing Commission-employed Veterinarian (the "Veterinarian") with respect to any injury occurring at Churchill Downs to a horse owned or trained by Trainer.

For purposes of this consent, "injury" shall include, but is not limited to, an injury to a horse that is (i) scratched at the recommendation of the examining Veterinarian; (ii) determined to be injured/unsound/in distress, or otherwise unfit in the paddock, post parade, starting gate, during or immediately after the running of the race; (iii) observed to be injured unsound or in distress in the Detention Barn, or as a result of a Veterinarian's post-race inspection; (iv) scratched for medical reason not documented by the Veterinarian (e.g., trainer reports sick, injured, colic, tied-up, fever, etc.); or (v) injured during training or in non-race related events.

Collectively, Churchill Downs, the Veterinarian, TJC and its affiliated businesses and the owners, stewards, directors, officers, employees and agents of any of the aforementioned persons and entities may be referred to as the "Indemnified Parties."

Trainer, on behalf of himself and as agent for each Owner listed in the Stall Application submitted by Trainer, further agrees to cooperate in the disclosure of such information to the extent that such cooperation is reasonably required and covenants not to sue and, to the maximum extent permitted by applicable law, to indemnify, release and hold harmless the Indemnified Parties from and against any liability, cost, loss, or expense of any kind of nature (including, without limitation, reasonable attorneys' fees) arising from any claim, demand, or action (a) alleging that the data entered into the Equine Injury Database (either directly or indirectly) violates the rights of Applicant or any third party, or (b) relating to any equine injury report run, published or otherwise created by any of the Indemnified Parties (either directly or indirectly).
